**INTERNATIONAL CONFERENCE  
ON  
MULTIDISCIPLINARY  
RESEARCH AND INNOVATION-2024 (ICMRI-2024)  
19<sup>th</sup> & 20<sup>th</sup> MARCH 2024**

**About the College:**

Situated in the heart of Capital City Srinagar, Government College for Women, is a premier institution of Higher Learning for women in Jammu and Kashmir. Established in 1950, the college has a glorious past with excellent academic track record and has played a pivotal role for women education and empowerment in the state. Our faculty and staff is comprised of more than 200 dedicated professionals, working together to bring the best of standards to the classroom and the campus..

**About the Conference:**

The International Multidisciplinary Conference 2024 aims to provide a platform for scholars, researchers, academicians, and industry professionals from diverse fields to converge and exchange ideas, research findings, and innovative solutions. This conference will foster interdisciplinary collaboration, encouraging participants to explore the intersections of various disciplines and contribute to the advancement of knowledge.

**About the Conference theme:**

The overarching theme of the conference is "Bridging Disciplines, Building Connections." This theme emphasizes the importance of breaking down traditional disciplinary boundaries and promoting collaboration across various fields.

**Keynote Speakers:**

Internationally renowned scholars and experts from various disciplines will deliver keynote addresses, sharing their insights and experiences in promoting multidisciplinary research and collaboration.

**Networking Opportunities:**

Participants will have ample opportunities to network with fellow researchers, forge collaborations, and establish connections that can lead to future interdisciplinary projects.
